

Customer experience journey map

Use this framework to better understand customer needs, motivations, and obstacles by illustrating a key scenario or process from start to finish. When possible, use this map to document and summarize interviews and observations with real people rather than relying on your hunches or assumptions.

Document an existing experience

Narrow your focus to a specific scenario or process within an existing product or service. In the **Steps** row, document the step-by-step process someone typically experiences, then add detail to each of the other rows.

Skill/Job Recommender Application

IBM-Project-37463-1660310204

TIP
As you add steps to the experience, move each frame "Yes" or "No" or "Right" depending on the scenario you are documenting.

|  Scenario Searching jobs, learning new skills, Recruiting skilled candidates |  Entice How does someone initially become aware of this process? |  Enter What do people typically experience as they begin the process? |  Engage In the core moments in the process, what happens? |  Exit What do people typically experience as the process finishes? |  Extend What happens after the experience is over? |
|---|--|---|--|--|--|
|  Steps What does the person (or group) typically experience? | <div>Through friends and college stuffs</div> <div>Through advertisements</div> <div>Through browsing</div> | <div>Looking out and frustrated about being unemployed</div> <div>Disorientation of jobs</div> <div>Financial Problems</div> <div>Lower self confidence</div> | <div>Get to know the skills required in the industry</div> <div>Get to know about way of job openings</div> <div>Get a job offer with a satisfaction</div> <div>Get to know about her skills</div> | <div>Job satisfaction</div> <div>Highly motivated and trained</div> | <div>Shows her experience and in her job journey</div> <div>maintain a healthy connection with a recruiter</div> |
